Payment Policy (Academic year)

1. All students, both new and continuing, including those in tutoring, need to register for every academic year. The registration fee is due every year for all continuing and new students. The registration fee is assessed as follows:
 - \$100 for students who start in the first semester
 - \$80 for students who start in the second semester
 - \$40 for students who start after April 1st.

The registration fee is applicable to both new students and annual re-enrollment of continuing students. The registration fee is not refundable.

Exceptions: Short 10-session classes such as Chess and vacation workshops are not subject to a registration fee, nor are summer classes.
2. Securing a place at RSM-MetroWest requires completing one online application per child and paying the registration fee(s).
3. Our program is a year-long program. Once you register your children, you are responsible for all payments. No refunds are provided if your child misses a class for any reason, including illness. We will provide homework if your child has to miss a class. If you choose to withdraw your child from the program, you can do so with **one month** written notice.
4. **For students joining mid-year:** Students who join after classes have started are not expected to pay for classes already past. All charges will be prorated based on the number of classes the student is actually registered for. However, the first payment, plus the registration fee, is due **upon registration**, and prior to the first class. Subsequent payments will be due on the 1st of the next month (for monthly payment plans) or on January 1st (for semi-annual payment plans). Please be aware that our school bills for the coming months, not retroactively. For students joining before the start of school in September, the first payment is due by August 1st of that year, and the final payment is due on January 1st (for semi-annual plans) or on April 1st (for monthly payment plans). Therefore, in order to "catch up", students joining mid-year must pay the tuition due through the day of enrollment. *Please see the details at the bottom of this page for clarification.*
5. **All Monthly payment plans require a one-time, non-refundable \$45 charge by Smart Tuition**
6. If your account is more than 1 month overdue, we reserve the right to terminate your child's enrollment.
7. Students whose accounts are not in good standing will not be eligible for complementary services provided by RSM-MetroWest, including, but not limited to, the following: Homework Help sessions; Competition Preparation Classes; having missed homework emailed or mailed to the home.
8. All families are automatically enrolled in the Smart Tuition payment program. **Failure to pay tuition by the posted due date will result in a late fee of \$55.00. A \$25.00 fee will apply for any failed electronic transaction or dishonored check.**
9. Private tutoring policy is available at www.mwsm.com/policies.html
10. Summer school payment policy is available at www.mwsm.com/summer.html
